

CHRISTIAN LUKE B. CASINILLO

Quality Assurance Tester | Manual & Automation Testing (Playwright)

Lapu-Lapu City, Cebu, Philippines | +63 916 567 9714 | christianlukecasinillo2@gmail.com

PROFESSIONAL SUMMARY

Quality Assurance Tester with over a year of hands-on experience across manual and automated software testing. Skilled in designing test cases from business and functional requirements, executing functional and regression tests, and documenting defects in JIRA with clear reproduction steps and severity ratings. Working knowledge of Playwright for automation and PHP for API-driven features, with a solid grounding in SDLC and Agile practices. Known for attention to detail, clear cross-functional communication with developers, and a drive to strengthen product reliability and user experience.

WORK EXPERIENCE

Quality Assurance TesterAug 2025 – Jul 2026

Forty Degrees Celsius Inc.

- Designed and executed comprehensive manual test cases from business and functional requirements, covering functionality, usability, and performance.
- Identified, documented, and tracked software defects in JIRA, writing detailed bug reports with reproduction steps, expected vs. actual results, screenshots, and severity assessments.
- Built and ran basic automated test scripts with Playwright, validating results to complement manual regression coverage.
- Escalated and coordinated with the development team on discovered defects, helping accelerate resolution turnaround.

Quality Assurance Intern (OJT)Jan 2025 – Apr 2025

Cerenimbus Inc.

- Built PHP-based APIs to support core application features, gaining practical exposure to backend/QA collaboration.
- Wrote detailed test cases that helped developers pinpoint and resolve functional issues faster.
- Actively tested the application throughout development and partnered with the dev team on UI and feature improvements.

SKILLS

Testing Tools

Playwright • Selenium • Postman
• JIRA

Programming

C# • ReactJS • JavaScript •
HTML/CSS • PHP

Productivity

Google Workspace • MS
Word/Excel/PowerPoint

Testing Methodologies

Functional • Regression • Integration •
Exploratory • UAT • Design Testing

Databases & Platforms

MySQL • phpMyAdmin • Git/GitHub •
Web & Mobile (Android/iOS)

AI Tools

Gemini • ChatGPT • Claude • Cline

EDUCATION

Bachelor of Science in Information Technology

University of Cebu Lapu-Lapu and Mandaue

Senior High School

University of Cebu Lapu-Lapu and Mandaue

Junior High School

Babag National High School

Elementary School

Lapu-Lapu City Central Elementary School
